

# PermaSnap Double Slope Coping

PermaSnap Double Slope Coping is the perfect solution for larger wall widths. It has a full snap-on design with 20-gauge, galvanized steel anchor clips and factory-applied stainless steel springs that ensure long-term positive attachment, bringing extra stability to the roof edge system. In addition, the snap-on design facilitates fast and easy installation. PermaSnap Double Slope Coping is custom fabricated in sizes to meet specific job requirements.

PermaSnap Double Sloped Coping
